Technical information

Date and venue

The second announcement contains a list of accepted papers suggested by the reviewers for publishing and presentation at the International Conference of Manufacturing Engineering and Materials to be held during 5th – 10th Jun 2016 in Nový Smokovec.

Language, proceedings, poster

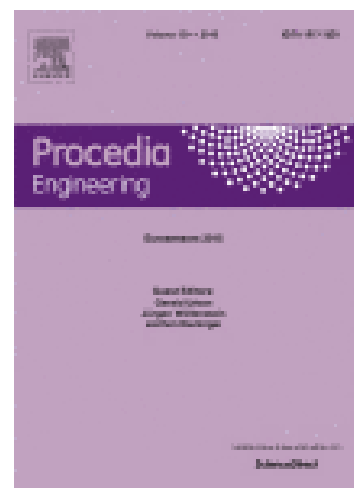

The working language of the Conference is English that will be used for all printed materials, presentations and discussions. The scientific program consists of plenary session, technical sessions, PhD session (competitions). The plenary sessions will be divided into the sections according to conference topics. The presentation is considered to be as an open review of the submitted lectures. All successfully reviewed papers will be published in Procedia of Engineering (Elsevier). The journal is indexed in SCOPUS, the largest abstract and citation database of peer-reviewed literature.

Accommodation

Please take note that foreign/outstation participants would need to arrange their own transport arrangement to the venue of the conference. For further information about accommodation, please, contact the secretary of the conference via e-mail: hloch.sergej@gmail.com or make you reservation as soon as possible directly at the hotel Atrium in Nový Smokovec: <http://icmem2016.webnode.sk/>.

Conference Fee:

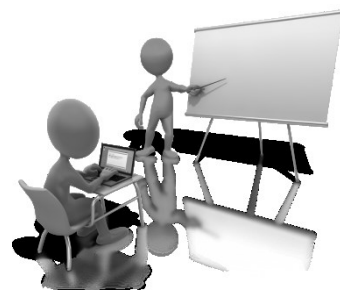

Authors are kindly asked to complete the Registration Form and send it as soon as possible to the conference secretariat. Please, check your payment of the conference fee. All participants without exceptions have to pay the conference fee. For each paper, at least one conference fee must be paid, if not, it can happen that the paper will not be included in the final program. Registration fee covers the entry to all sessions, lunch & tea breaks, conference kits, proceeding, program, certificate and banquet dinners and accompanying program.

Technical information

Presentation

For oral presentation, **the paper must be presented in MS Power Point or as a Poster**. The author or one of the coauthors is required to present a summary of the paper in max. 10 minutes for oral presentation and 5 minutes for the Q&A session. The keynote lectures presentation length is max. 20 minutes, including the Q&A session. The softcopy of your power point presentation should be submitted to the secretariat during the registration at the desk or via e-mail: hloch.sergej@gmail.com.

Venue

Event will be held at the hotel Atrium in Novy Smokovec in High Tatras. The Hotel Atrium in Novy Smokovec is renowned for its unusual architecture (circular shaped building) as well as its location - at the foot of Slavkovsky's peak. Visitors can enjoy panoramic views of the mountains from both the restaurant and bedrooms. It is an ideal place for holiday with children as well as conferences, seminars and workshops for business delegates. The hotel offers comfortable accommodation in 87 bedrooms, 5 conference halls, superb Slovak and international cuisine and relaxation in its Wellness Center. Since September 2011 the hotel also offers a unique opportunity of hosting weddings right in the heart of the Tatra Mountains. The hotel's mascot and mountain guide SKALKO is available to entertain children. There are many tourist attractions available nearby. The funicular railway to Hrebienok is only a short walking distance from the hotel. Hrebienok is a starting point for various hiking treks. Different varieties of sports and entertainment are available to you during both the summer & winter seasons.

When you make a reservation, please identify yourself in the subject or body of e-mail as a participant of ICMEM2016.
